### Introducing “The Women and Children’s Economic Empowerment Fund”

We are excited to share a new opportunity to help women and children served by our YWCA. All donations to the new “The Women and Children’s Economic Empowerment Fund” will support all YWCA community programs serving low-income women and at-risk children. This includes Swim-to-Grow, TechGYRLS, Women’s Closet (and the coming empowerment center expansion), child care, and health and wellness. Help make a difference in someone’s life by contributing to this fund. Call Community Services at 432-5581 or stop by the front desk.
