YWCA IS ON A MISSION

To eliminate racism and empower women, promoting peace, justice, freedom, and dignity for all.

#OneMission

Make An Impact. **YOUR ENGAGEMENT MATTERS**

In 1992, The **YWCA Greater Green Bay Women of Vision Luncheon** was established to gather women to celebrate their power and to develop women as philanthropists in our community. The objective was to broaden the base of support for the YWCA Greater Green Bay programs and help improve the future for women, girls and their families in Brown County.

Our signature event connects YWCA Greater Green Bay supporters with our mission to eliminate racism and empower women and girls, while creating meaningful engagement through dynamics speakers, inspiring stories, and a fun atmosphere. With your continued support, the YWCA Greater Green Bay will grow and make sustainable impacts across generations.

Join Us.

YOUR SPONSORSHIP OUR IMPACT

Empowerment Services

TechGYRLS®

A summer program for girls grades 3-8 offering field visits led by area women in the STEAM industries (Science Technology Engineering Art and Math).

Women's Career Closet

The WCC provides free, work-appropriate clothing to women who are currently employed or actively seeking employment. We remove the financial barrier by offering the basic need.

Childcare and Development

Our licensed childcare program provides care for children ages 6 weeks - 13 years old. Our caring and dedicated staff partner with parents to prepare children for success in school, celebrate diversity, and learn important life-skills.

Health & Safety

Swimming Lessons

Swimming is a life skill, especially in a city surrounded by water! Our aquatic center offers swim lessons for all abilities and ages.

Water Exercise/Adult Swim

We offer many opportunities for adults to use our facilities to exercise including lap swimming, water walking, aerobic workouts, joint exercises, and more.

Wellness

Our professionally certified trainers are a group of life-loving women who are here to provide fitness instruction, self-defense classes, wellness seminars, and other resources to promote health and safety.

Justice & Advocacy

Community Conversations

A weekly discussion series with experts from across the country where we discuss racial disparities that impact our community. This series aims to equip members to make a positive difference.

Intercultural Development

Our team uses the Intercultural Development Inventory® (IDI®) to help community members build diversity and inclusion. The IDI® is a tool that helps us to understand complexity of culture and make a plan to reduce bias while working toward inclusion.

SPONSORSHIP OPPORTUNITIES

YWCA

Executive Director & CEO

Patricia Falkenhagen

YWCA Greater Green Bay
Board President

Our Board of Directors is tirelessly working on a new reimagined strategy. This reimagining process is deeply rooted in our history and the work we're known for and it challenges us to imagine how we can amplify that work to best serve women, families and communities. We have a unique opportunity to explore how we can build upon our legacy programming to meet 21st century needs of our community while simultaneously addressing the social challenges those in our community face.
