What?

Diversity, Inclusion, and Retention: Making Green Bay Home for Diverse Professionals

The YWCA Greater Green Bay is partnering with the African American Dairy Professionals (AADP), a Schreiber Foods Business Resource Group, to bring you a mini-conference addressing diversity, inclusion, and retention as the capstone to their Black History Month programming. This half-day event is planned with businesses in mind and will provide attendees with data from the Bay Area Community Council's 2018 *Greater Green Bay: Envisioning the Future* Report to the Community; exposure to experts in fields central to diversity, inclusion, and retention; and the opportunity to be a part of the YWCA's dedication to eliminating racism, empowering women, and promoting peace, justice, freedom, and dignity for all.

If your business needs support keeping up with the needs of Green Bay's changing demographics, you will not want to miss this **free** event that includes lunch! RSVP is required at www.ywcagreenbay.org or by contacting the Development Team at devteam@ywcagreenbay.org or 920-432-5581 ext. 143.
