You're Invited

Life is full of surprises. A job loss, prolonged illness or unexpected loss of a family member can have a big impact on your family and your financial situation. Join us for *Ready or Not? Preparing for the Unexpected* to discover how to put yourself in a better position to keep your financial strategy from veering off course.

You'll learn:

- Risks you may not be aware of
- Strategies or tools for addressing those risks
- Life changes that may require you to review your strategy

Though you can't predict the unexpected, you can prepare for it. During this presentation we'll show you how.
