## On the Shoulders of Giants

**WE STAND ON THE SHOULDERS OF GIANTS AT THE YWCA!** These giants are women and girls in our community who have overcome great odds to thrive despite glass ceilings, equity gaps in pay and assaults against our beautiful femininity. In late January, I had an opportunity to gather with several of these women from the broader Green Bay community. I was reminded that when women gather and share their stories, a marvelous synergy erupts making unlikely connections that bring about real opportunity for growth and healing. We are creating spaces like that at the YWCA. Please stop in and watch us bring the community together, see and applaud each other. It's great time to be affiliated with the YWCA.

Fondly,  
*Renita*, CEO

## 2019 Women of Vision Luncheon

This year's luncheon promises to be an uplifting event as we reminisce about the impact of the YWCA within our community for the past 100 years. We invite you to encourage the special women in your life to come enjoy laughter and great fun as we celebrate women helping women. Our goal is to make this the best attended WOV luncheon ever! "**Dedications of the Day**" is a longstanding tradition of the Women of

Vision Luncheon. This tradition of surprise has honored distinguished area women chosen by their peers as true Women of Vision! The suggested donation is \$200 and all nominations are due by May 1st.
