

Youth Program Rehearsal and Recital Information

Dance, Gymnastics, and Tae Kwon Do students will have the option to perform in a recital at the end of Spring 1 session. We will continue to have 9 or 10 week sessions with end of session Showcase Performances. The Fall, Winter, and Spring 1 sessions will take place before the recital. We ask that children participate in all three of these sessions to perform in the recital, in order to build confidence and progress with class skills. Since this is the first year in quite a few years that we're offering a recital, some exceptions will be made for participation in the recital. Also students will not be required to purchase a costume but are encouraged to dress up for the occasion.

Dress Rehearsal and Recital

The dress rehearsal and recital will happen at the YWCA in the Cowles Gym. The dress rehearsal will happen during their regularly scheduled class the week of the recital. This gives the students the opportunity to perform their numbers on the stage before performing in front of an audience. They will practice walking on to the stage, performing their number, then walking off the stage.

The Recital will be the students time to shine. There will be no cost for admittance. All students will be required to get to the YWCA 30 minutes before the recital. We ask that students stay until the end of the performance, so they can perform in a final number together. After the recital there will be a brief celebration for all students. Families can bring treats to share and the YWCA will provide juice and cookies.

Families will be allowed to take pictures and video their students performances. Please just be respectful of the other families around you.

**Thank you for trusting us with your child's well-being and advancement.
